

15th South-East Asian Congress of Medical Physics

December 1 – 3, 2017 ■ Iloilo City, Philippines

3 October 2017

Dear Colleagues:

The Society of Medical Physicists in the Republic of the Philippines (SMPRP, formerly named Philippine Organization of Medical Physicists) will be hosting the 15th Southeast Asian Congress of Medical Physics at Grand Xing Imperial Hotel, Iloilo City, on December 1-3, 2017 and the post Congress ASEAN College of Medical Physics on December 4, 2017. The Congress theme is "Medical Physics Towards Health for All".

In this regard, we look forward to you and your society's support as fellow members of **AFOMP** to join us during the conference. We have extended the deadline for the submission of the abstracts to accommodate more papers from your country.

Further details may be found at seacomp2017.com.

We would highly appreciate it if you could share this information with your colleagues.

Best regards.

Sincerely yours,

LILIAN V. RODRIGUEZ

Scientific Committee Chairperson
